Continuation of remote and flexible learning

Dear Parents and Carers,

The Victorian Government has announced arrangements for schools in Victoria from and including Friday 4th June.

Based on advice from the Victorian Chief Health Officer, all schools in metropolitan Melbourne will continue with remote and flexible learning until Thursday 10th June. This includes our school.

Students who are enrolled in a school in metropolitan Melbourne but reside in regional Victoria will continue remote and flexible learning.

Existing arrangements for on-site supervision of vulnerable children and the children of authorised workers continue to be in place.

Remote and flexible learning

Friday 4th June: (i) Students in Grades 1-6 will find extra slides for Friday attached to their current Google Slides from this week.

(ii) Students in Foundation will receive their learning tasks for Friday via email today.

Monday 7th to Thursday 10th June: learning tasks will be emailed to families on Sunday (6th June) afternoon. This will also include learning tasks from Specialist Teachers.

Please also find attached a timetable when teachers will be communicating with students via WebEx from this Friday (4th June) until next Thursday (10th June).

On-site supervision

Our school will provide on-site supervision for students in the following categories:

* Children whose parents and/or carers are authorised workers who cannot work from home and where no other supervision arrangements can be made, including children of teachers in government schools who are required to return to work on-site.

* Children experiencing vulnerability, including:

- children in out-of-home care
- children deemed vulnerable by a government agency, funded family or family violence service, and assessed as requiring education and care outside the family home
- children identified by a school or early childhood service as vulnerable, (including via referral from a government agency, or funded family or family violence service, homeless or youth justice service or mental health or other health service)

If your child requires on-site supervision, please contact the office.

Face masks

Secondary school students aged 12 or older must always wear a face mask at school, including when attending an Outside School Hours Care (OSHC) program, unless an exception applies.

Children under 12 years of age and students at primary school are not required to wear face masks when at school, or when attending an OSHC program.

Face masks are mandatory for all school students aged 12 or older when travelling to and from school.

Thank you for your continued support and patience during this time. We look forward to welcoming our students back to the classroom next Friday the 11th of June.

Regards
