Continuation of remote and flexible learning **Wednesday 21st July – Tuesday 27th July**

Dear Parents and Carers,

Today the Victorian Government made announcements in relation to arrangements for schools in Victoria from and including Wednesday 21st July.

Based on advice from the Victorian Chief Health Officer, all Victorian schools will continue with remote and flexible learning, at this stage until Tuesday 27th July.

Our school will continue to provide on-site supervision for students in the following categories:

- Children where both parents and or carers are considered authorised workers who cannot work from home, work for an essential provider and where no other supervision arrangements can be made:
 - where there are two parents/carers, both must be authorised workers, working outside the home in order for their children to be eligible for on-site provision.
 - for single parents/ carers, the authorised worker must be working outside the home in order for their children to be eligible for on-site provision.

- Children experiencing vulnerability, including:
 - in out-of-home care
 - deemed vulnerable by a government agency, funded family or family violence service, and assessed as requiring education and care outside the family home
 - identified by a school or early childhood service as vulnerable, (including via referral from a government agency, or funded family or family violence service, homeless or youth justice service or mental health or other health service)
 - where a parent/carer indicates that a student with a disability is vulnerable because they cannot learn from home, and/or informs the school the student is vulnerable due to family stress. This may apply to students enrolled in specialist schools and students with a disability enrolled in mainstream schools.

As a result of today's announcement by the Premier, the following has/will occur:

- This afternoon, classroom teachers emailed the learning tasks for the remainder of this week (Wednesday 21st – Friday 23rd July).
- Staff are currently planning a flexible and remote learning program for next Monday 26th and Tuesday 27th of July.
- This learning program will be emailed to families on Sunday afternoon – 25th July.
- Attached at the end of this letter is a WebEx schedule for the remainder of this week and next Monday and Tuesday.
