

1 July, 2020

Dear Parents, Carers and Staff,

I would like to provide you with a brief update on the situation at our school, and thank you for your support and patience at this time.

The Department of Health and Human Services (DHHS) has advised that all our students and staff are requested to remain at home.

This is to allow the Department to undertake the necessary contact tracing. If you are identified as being a potential close contact, DHHS will be in contact to discuss the appropriate next steps, including testing.

If you are identified as a potential close contact, you must remain at home until you are cleared by DHHS.

The Victorian School Building Authority (VSBA) is also carrying out a deep clean of our school at this time.

I am very aware that this is a time of heightened anxiety for us all.

The people best placed to answer your questions are the Department of Education and Training (DET) staff who are supporting us. You can contact them on the coronavirus (COVID-19) hotline on 1800 338 663. If you call them, please be clear that you are calling in relation to Westbreen Primary School, and they will then be able to provide as much information as they are able.

Thank you for your support, and I will provide any further information as soon as I receive any updates.

Yours sincerely,

Tony Cerra
Principal
